# Ugly is my Father

Nahum Ding

Ugly is my father

For my father is not a good-looking man, his outward appearance is ugly

My father is ugly

My father has an ugly crooked smile so I can have a big smile and straight teeth

My father has an ugly back so I can run, jump, and swim

My father has ugly English so I can speak fluently and articulate in front of others

My father has an ugly memory so I can memorize and gain knowledge in school

My father is ugly so I can achieve my dreams and succeed

For my father is not a good-looking man, but his love for me is far more beautiful than his outward appearance
